

Sonnenberg news from sunny hill

February 2021 | Issue 2

Winter at Sonnenberg

The park being closed to visitors doesn't mean the work has stopped!

The offices are buzzing with activity getting ready for the upcoming season. We are working on getting weddings & bus tours on the calendar, having committee meetings to establish goals for this season, continuing to build out the offices at the reserve center, and writing grants to help our non-profit in the 2021 season to re-establish funding where it is needed most.

Greenhouses are full of plants currently napping, awaiting the garden season. Our former Gardeners' Cottage is being emptied out and cleaned to provide a new space for new opportunities. The trails are ready for cross country skiing and snowshoeing with our new collaboration with The Lake House on Canandaigua.
